(b) In the *month/day/year* subbox, indicate the date the wage determination is required.

22.1008-7 Required time of submission of Notice.

(a) If the contract action is for a recurring or known requirement, the contracting officer shall submit the Notice not less than 60 days (nor more than 120 days, except with the approval of the Wage and Hour Division) before the earlier of (1) issuance of any invitation for bids, (2) issuance of any request for proposals, (3) commencement of negotiations, (4) issuance of modification for exercise of option, contract extension, or change in scope, (5) annual anniversary date of a contract for more than 1 year subject to annual appropriations, or (6) each biennial anniversary date of a contract for more than 2 years not subject to annual appropriations unless otherwise advised by the Wage and Hour Division (see 22.1008-5).

(d) In an emergency situation requiring an immediate wage determination response, the contracting officer shall, in accordance with contracting agency procedures, contact the Wage and Hour Division by telephone for guidance before submitting the Notice.

48 CFR Ch. 1 (10-1-05 Edition)

22.1009 Place of performance unknown.

22.1009-1 General.

If the place of performance is unknown, the contracting officer may use the procedures in this section. The contracting officer should first attempt to identify the specific places or geographical areas where the services might be performed (see 22.1009-2) and then may follow the procedures either in 22.1009-3 or in 22.1009-4.

22.1009-2 Attempt to identify possible places of performance.

The contracting officer should attempt to identify the specific places or geographical areas where the services might be performed. The following may indicate possible places of performance:

(a) Locations of previous contractors and their competitors.

(b) Databases available via the Internet for lists of prospective offerors and contractors.

(c) Responses to a presolicitation notice (see 5.204).

[48 FR 42258, Sept. 19, 1983, as amended at 68 FR 43856, July 24, 2003]

22.1009-3 All possible places of performance identified.

(a) If the contracting officer can identify all the possible places or areas of performance (even though the actual place of performance will not be known until the successful offeror is chosen), the contracting officer, as required in 22.1008, shall submit the Notice to the Wage and Hour Division. If the number of places of performance exceeds the space available on the Notice, the contracting officer shall provide a listing by state-county-city/town in an attachment to the Notice.

(b) The Wage and Hour Division may issue a wage determination for each different geographical area of performance identified by the contracting officer, or in unusual situations it may issue a wage determination for one or more composite areas of performance. If there is a substantial number of places or areas of performance indicating the need for a wage determination for one or more composite areas of performance, the contracting officer

should, before submitting the Notice, contact the Wage and Hour Division concerning the issuance of such a wage determination.

(c) If the contracting officer subsequently learns of any potential offerors in previously unidentified places before the closing date for submission of offers, the contracting officer shall follow one of the following procedures:

(1) Continue to follow the procedures in this subsection and:

(i) Submit Notices for the additional places of performance to the Wage and Hour Division, and

(ii) Amend the solicitation to include all wage determinations and, if necessary, extend the time for submission of final offers.

(2) Follow the procedures in 22.1009-4.

22.1009-4 All possible places of performance not identified.

If the contracting officer believes that there may be offerors interested in performing in unidentified places or areas, the contracting officer may use the following procedures:

(a) If the contracting officer has identified possible places or areas where services might be performed, the contracting officer must submit the Notice to the Wage and Hour Division (see 22.1009-3 (a) and (b)).

(b) Include the following information in the notice of contract action:

(1) That the place of performance is unknown.

(2) The possible places or areas of performance for which the contracting officer has requested wage determinations.

(3) That the contracting officer will request wage determinations for additional possible places of performance if asked to do so in writing.

(4) The time and date by which requests for wage determinations for additional places must be received by the contracting officer.

(c) Insert the clause at 52.222-49, Service Contract Act—Place of Performance Unknown, in solicitations and contracts. Include the information required in the clause by subparagraphs (b)(2) and (b)(4) of this subsection. The closing date for receipt of offerors' requests for wage determinations for additional possible places of

performance should allow reasonable time for potential offerors to review the solicitation and determine their interest in competing. Generally, 10 to 15 days from the date of issuance of the solicitation may be considered a reasonable period of time.

(d) The procedures in 14.304 shall apply to late receipt of offerors' requests for wage determinations for additional places of performance. However, late receipt of an offeror's request for a wage determination for additional places of performance does not preclude the offeror's competing for the proposed acquisition.

(e) If the contracting officer receives any timely requests for wage determinations for additional places of performance the contracting officer shall—

(1) Submit Notices for the additional places of performance to the Wage and Hour Division; and

(2) Amend the solicitation to include all wage determinations and, if necessary, extend the time for submission of final offers.

(f) If the successful offeror did not make a timely request for a wage determination and will perform in a place of performance for which the contracting officer therefore did not request a wage determination, the contracting officer shall—

(1) Award the contract;

(2) Request a wage determination; and

(3) Incorporate the wage determination in the contract, retroactive to the date of contract award and with no adjustment in contract price, pursuant to the clause at 52.222-49, Service Contract—Place of Performance Unknown.
